CLEO

\$399

Introducing CLEO, the perfect wireless permanent makeup machine to create stunning lip treatments, eyeliner, eyelash enhancement, shading, ombre brows, and nano hair strokes.

Due to its lightweight, ergonomically optimal design, you'll be able to create the most beautiful masterpieces. Forget your bulky, heavy machines. CLEO is here to revolutionize the game.

FEATURES:

- Wireless: Wires are so yesterday! No more messing around with unnecessary cables.
- Soft stroke: A setting of 2.2mm is perfect for shading and hair stroke techniques.
- Lightweight: Weighs only 3oz. Long days of working will feel like a breeze. No more aching wrists.
- Slim design: Grip diameter of 17mm. Ergonomically optimal design for comfortable use. Built for precision work.
- Universal needles: Use your favorite brand of universal fit needle cartridges.
- Voltage output: 5.0V-8.0V. Easily increase by half increments, from soft to strong, catering specifically to all permanent makeup needs and meeting the demands of various techniques.
- Guarantee: Free of manufacturer's defects or you will get a free replacement. Six months warranty.
